

Quality Policy

EuroTec International PLC shall satisfy its customers and all other stakeholders through embracing the requirements of:

ISO9001:2015 (Scope – Design, procurement, manufacture and assembly of audio peripherals and accessories)

IATF16949:2016 (Scope – Design and assembly of audio peripherals and accessories)

ISO14001:2015 (Scope – Activities associated with design, procurement, manufacture and assembly of audio peripherals and accessories)

All applicable UK laws and regulations

We shall achieve this through:

- **Leadership** embracing our customers' requirements into its policies and procedures.
- Developing and maintaining our **relationships** with our customers, staff and suppliers.
- **Continuously improving** our performance by listening to our customers feedback, measuring our own processes, and monitoring our suppliers.
- Striving for '**Zero Defects**'.
- Being **Flexible** – to meet our customers' changing needs.

Effective Issue date: 6th January 2026

Quality Manager – David Knight
